Rid Yourself of Unnecessary Burdens.

Don't bear unnecessary burdens. Burdens of a bad back are heavy. Get rid of them. Doan's Kidney Pills are for bad kidneys. For lame, weak and aching backs. Lots of grateful endorsement to prove their worth. E. M. Crouse, Airbellows, N. C. says: "For two years I was a victim of kidney complaint. There was a dull pain in the small of my back and when stooping or lifting, I was seized by sharp twinges through my loins. My back ached severely at night and in the morning I was very lame and so on. I became tired easily and was often nervous. The kidney secretions were too frequent in passage and I did not rest well. I at length learned of Doan's Kidney Pills and although I did not take more than half a box, I was greatly relieved."

For sale by all dealers. Price 50c. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and ask no other.

Can Read The Angels' Dreams.

Jim Robinson in State Journal, It is beautiful, fascinating and inviting around Blowing Rock now; the land above the clouds. The peaks are so close to heaven that one can read the angels' dreams. The mountains are holding up flaming torches; the Master Painter is sprinkling the forests with all the hues of the rainbow; grapes, sweet, purple, pink and opal, are bending the vines in a graceful invitation to partake. Apples are blushing red at their own beauty on prolific trees; chestnut burs are smiling to a broad grin, revealing the brown treasures of their hearts; the buckwheat has dropped its bloom and comes to you in smoking cakes, introducing to you Miss Maple Syrup, a home product, the sweetest thing on the mountains; majestic goldenrods are waving proud plumes of yellow; sunbeams dance with gorgeous-winged butterflies over the flaming red, purple and yellow flora of the mountains' costume. Autumn's feast of golden glory has begun, and the birds all come, behold and partake of the bounty of scenery, fruits and flowers in that lovely, highly favored Blowing Rock country, that stands without a rival.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

Write for Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for special instructions on your case and 64-page book, "How to Treat Women," sent in plain wrapper.
